If you are not out of the venue 2 hours after the festival closes, then ACA may be charged extra rental and security fees and these will be passed on to vendors who have not respected those times. Out of respect for the performers, no takedown or exit can occur while they are on stage. The access gate will open after all patrons have left the grounds. At that time, you can drive your trailer out of the venue slowly (it will be dark at that hour). You must have all of your trash disposed of in the dumpster provided by ACF or taken with you.
